**ORDER:**

Government of Andhra Pradesh has negotiated a 100% grant “ Andhra Pradesh Irrigation Water Management Improvement Project” with Japan International Cooperation Agency (JICA) for Technical Cooperation. The JICA Mission visited the State from 10.12.2007 to 13.12.2007 and held discussions with the officials of Government of Andhra Pradesh.

2. The objective of the project is to strengthen the system for water resources management and to improve the efficiency of water use in the State with the following activities.

1. Overview of the current situations of water management in the State and selection of target areas;
2. Identification of constraints and issues regarding land holdings, crop cultivation planning, irrigation and drainage in the selected areas;
3. Identification of constraints and issues regarding water management policy and planning, as well as human resource development of the State;
4. Survey over good practices of on-farm water management demonstrations in the selected areas;
5. Proposal of crop cultivation planning for kharif (rainy season) and rabi (Dry season);
6. Compilation of guidelines for water management based on the survey;
7. Provision of instructions and guidance towards the stakeholders, particularly the Government officials, based on the guidelines; and
8. Conduct of exposure visits, seminars and workshops for the stakeholders such as NGOs and farmers through WALAMTARI.

3. Government after careful consideration hereby accord approval for the Andhra Pradesh Irrigation Water Management Improvement Project with a grant of Rs. 450.00 lakhs (Rupees four hundred and fifty lakhs only) made available by Japan International Cooperation Agency (JICA). There is no financial commitment on the part of Government of Andhra Pradesh.

4. The Project will be implemented over a period of two (2) years from the date of arrival of JICA Long Term Expert, i.e from June 2008 to June 2010.
